About Me

Highly motivated engineering intern with a solid foundation in Computer Science and IT. Acquired effective understanding of technical knowledge and exemplary problem-solving skills. Seeking an opportunity to utilize extensive hands-on experience in a prestigious professional setting, with a drive to surpass expectations and achieve significant achievements.

Professional Experience

Cybersecurity Virtual Internship

PaloAlto Networks | AICTE Intern
May 2023- July 2023

- Tackled challenging projects, collaborated with talented professionals, and sharpened my skills in areas like cybersecurity, cloud security, network security, SOC, vulnerability assessment, and incident response.

Cybersecurity Virtual Case Experience

pWC Switzerland | Forage Intern
July 2023

- Engaged in a stimulating journey, tackling real-world cybersecurity challenges and collaborating with esteemed professionals to devise innovative solutions in safeguarding digital assets.

Google Professional Cybersecurity

Google | Coursera Learner
Oct 2023

- Completing the Google Professional Cybersecurity Certificate was a dynamic journey where I gained expertise in threat detection, ethical hacking, and securing systems. Practical labs and real-world projects enhanced my skills, providing a strong foundation for tackling cybersecurity challenges.

Achievements

- | | |
|-----------|--|
| 2017-2018 | Honoured as the youngest Captain at school |
| 2020 | Received Certificate of Achievement for Doodling at Vibrance Art Contest |
